RE: Webelos to Scout Transition

The transition from Webelos to Boy Scouts is an exciting time. Many Webelos become energized as they learn more about the range of activities that will soon be available to them. Finding a good fit between each Webelos and Boy Scout Troop is important. Fortunately, there are many excellent choices for Webelos in the Rochester area.

We in Troop 99 invite you to come check us out! We are a strong, active, and boy-led Troop. There are 4 ways we'd like to become better acquainted with you: 1) inviting you to our Troop meetings, 2) joining us on outings, 3) having us visit your den or pack meeting, and 4) individual contact. You are cordially invited to come to any of our Troop meetings (see info. "Questions To Ask"...for details). Please call ahead, so we'll know to look for you. In addition, all 2<sup>nd</sup> year Webelos and their families are invited to join us on outings. We have a full calendar ahead with lots of Troop activities, outings and other events. Be sure to check out our online calendar to see what we're up to. Also, we would love to arrange for 1 or 2 of our scouts to visit your den meeting during the year to talk more about scouting with Troop 99. Let me know a time that is convenient for you, and we'll get the Scouts together. Finally, don't hesitate to contact me directly, if you would like to learn more about our Troop.

We offer the enclosed "Questions To Ask Troops Visited" to help you find *your* Troop. Feel free to copy the blank template and use the form each time you visit a different Troop, so you can compare "apples to apples." Information is provided about Troop 99, and space is available for you to note your own opinions and thoughts.

The philosophy of Scouting and our troop leaders is to teach the Scouts many of the same values that you as parents have been teaching at home. By using an outdoor environment, the patrol method, advancement and the exposure to adults of good character, our Troop teaches the ideals spelled out in the Scout Oath, Law, Motto and Slogan.

If you have any questions, please feel free to visit our website at www.boyscouttroop99.org or email me at rueter.matthew@gmail.com. We look forward to seeing you soon!

Yours in Scouting,
